

# FAITHFUL SERVANTS

## MISSION

*To provide free urgent care services with a Christ-like compassion for those without insurance and the economic means to access traditional health care.*

## OPPORTUNITIES TO PRAY

### **Pray for one of the doctor/nurse/office team nights**

Each night of the month, a different team of volunteer doctors, nurses, pharmacists, and office help man the Faithful Servants Care Center in Tallmadge. Many of these volunteers come straight from work. They would be very blessed to have a group holding them up in prayer.

## OPPORTUNITIES TO GIVE

### **Write letters of encouragement to the team.**

Let this team of 7-8 volunteers know that you are praying for them and that what they are doing is such a blessing to the community. Remind them that they are being prayed for and encourage them as they serve.

## PEOPLE GROUPS

One of the many volunteer doctor/nurse/pharmacist/clerical nightly teams of that provide free urgent medical care at their Medical Center in Tallmadge. Each team volunteers one night per month.
