

Jun. 15/16, 2019 **Dirty Dozen – Peter**

Review

Main Points

Ask the group: What were your initial thoughts, reactions, and comments?

- 1. You are going to fail
- 2. You can turn back
- 3. You can still be used

Reflect

- 1. What do you remember from your driving test how'd it go?
- 2. You are going to fail. Read Luke 22:31-34 and Luke 23:54-62.
 - How does Peter respond to the prediction of failure? What is dangerous about his response?
 - How can you relate to Peter and his failure? What sorts of thoughts or beliefs get attached to our failures?

3. You can turn back. Read John 21:1-19 and Luke 5:8.

- What do you notice about Peter's reaction to Jesus, and why do you think he reacted that way?
- How does that compare to his reaction with Luke 5:8?
- What do you notice about how Jesus responds to Peter? Why is the love of Jesus the primary question?
- From "woe is me" to jumping off a boat, where are you in your relationship with Jesus?
- 4. You can still be used. Read Acts 2:14-41. Notice how God uses Peter in his first sermon on Pentecost. What stands out to you, and how do you think Peter's denial influenced this sermon?

Respond

What's your answer to how God could use you? What's a failure of yours that could be something God uses to make Jesus famous?

Pray

Ask the group for prayer requests.
