Dirty Dozen – Mary Magdalene

Review

Main Points

Ask the group: What were your initial thoughts, reactions, and comments?

1. No one sees her
2. Jesus sees her
3. Everyone sees her through

Reflect

1. What's the last piece of great news you got to share with someone?
2. **Read Luke 8:1-3.** What does it mean to be invisible? When was the last time you felt invisible, and what did it take to change?
3. **Read Luke 15:1-7.** What stands out to you about God? What does it say about Jesus and you that he leaves the 99 for you?
4. Discuss the difference between the church being a waiting room for a hospital or a job interview. What do you see at CCC and how can you we help it be more of a hospital? What can we learn from Jesus in wading into people's lives?
5. What's one piece of great news about Jesus that you can share?

Respond

1. There are people that aren't seen around you, consider ways to see someone who feels invisible. Who around you is like Mary, and how you pursue them like Jesus has pursued us?
2. Consider getting involved with International Friendship Connection, a ministry of CCC, with a mission to befriend International Students at Kent State University. The goal is 50 families to volunteer. More details on our website.

Pray

Ask the group for prayer requests.
