

Devotional Recap (Week 6)

What's one thing God taught you, reminded you of, or challenged you with this week?

Sermon Discussion (Hebrews 9:11-14)

Questions:

1. Why a sacrifice is great.

- What does a sacrifice teach us about our problem with God? Why do you think the problem is so big?
- What are the three R's when making things right? Why is important that God decides what it takes to make things right with us?
- Read v.13. What are the problems with the sacrifice of the animals?

2. Why Jesus is greater.

- Read v.12.
- Why does forgiveness always involve suffering? How have you seen that play out in your life?
- What does it mean to you that God didn't send someone else, but Jesus Himself suffered and came to rescue you?

3. Why that is great news.

- Read Romans 5:8.
- How did Joe's story of buying a ring for Karen help you understand the cross and God's love?
- What is making it hard or easy to trust in God's love right now? How can we help each other know God's love more?
