

Hebrews Together

Devotional Recap (Week 7)

What's one thing God taught you, reminded you of, or challenged you with this week?

Sermon Discussion (Hebrews 11-12:3)

Questions:

1. Why Heroes are Great. Read Hebrews 11:27-30, 32-34.

- Who is your favorite superhero and why?
- What are the mixed messages you have noticed in our culture about heroes? Why do these heroes fall short?
- How did some people in the first century miss the point of why Bible heroes are great?

2. Why Jesus Is Greater. Read Hebrews 12:1-3 and Philippians 2:5-11.

- What was Jesus able to see about both the race and the victory that was “set before” him?
- What were the Bible heroes able to see about Jesus that kept them from being discouraged or giving up? If you have time, go back and read and discuss the story of Abraham and Isaac in Genesis 22:1-14.

3. Why That Is Great News. Read Acts 4:12 and Ephesians 1:4-8.

- What comes to mind when you consider that Jesus wrote you into his story?
- Think of the last time you kept your eyes fixed on Jesus during a rough circumstance. What helped you keep your focus on him?

Application

What is the biggest thing that is weighing you down right now? How can you now live heroically? What does that mean and look like to you?
