Review

Main Points: Initial Thought/Reactions/Comments

1. What does it mean to make Jesus famous?
2. Why are we going to do it?
3. How it is going to happen?

Reflect – Questions

1. Share a spiritual highlight from 2018.
2. If 2019 is a blank canvas, what do you hope will be on there by 2020?
3. When you think about the fame of LeBron James vs. the fame of Denis Mukwege, what is similar and different about their fame?
4. **Read Mark 2:1-16.** What stands out to you in this story? What do you see Jesus doing, and what makes it so important that we make Jesus famous?
5. Why do you specifically want Make to Jesus famous this year? Have the group take time personally to reflect about the healing and grace Jesus has brought to them individually and come back to share a few reasons why they want to make Jesus famous.
6. Finally, who would you like to make him famous to? Give space for people to think about the people in their lives and make a short list. Then come back and share together.
