## **Make Jesus Famous – In Your Community**

### ***Review***

#### ***Main Points: Initial Thought/Reactions/Comments***

1. Make Jesus famous – starts with one.
2. Make Jesus famous – happens in groups.
3. Make Jesus famous – in the city.

### ***Reflect – Questions***

1. Joe shared three words: ought, am and should. What's one thing you know ought to be one way – either about yourself or this world, but isn't? How do you get it back to the way it should? How is Christianity unique in its answer to that last question?
2. **Read John 1:43-46.** Who is the "one" you wrote down, and what does it look like to invite them to "come and see?" What's a reason to ask your friend and what's a reason you wouldn't ask your friend like Philip asked Nathanael?
3. **Read John 4:27-30 and 4:39-42.** How would you describe the Samaritan woman? Why do you think she so quickly shared Jesus with the groups of people in her life? Who are the groups of people in your life that you could share with? Pastor Joe challenged us to come up with two groups.
4. **Read Luke 8:38-39.** Where did Jesus send this man, and why? What does it mean for a Christian to be for the city? See [transform-summit.org/serve](http://transform-summit.org/serve) for ways to serve individually and as a group.

### ***Respond***
