Only Jesus – Offers Life

Review

Main Points: Initial Thought/Reactions/Comments

1. Why are you hungry?
2. How can we be satisfied?
3. Will you eat?

Reflect – Questions

1. **Tortilla Chips.** What is a food for you that you can never have enough of and leaves you always wanting more? Todd mentioned that his is tortilla chips.
2. **In a real way,** what are the things you commonly look to and expect will satisfy, but never actually do? Share a moment or a story when you got exactly what you wanted, and you still felt empty. Why do you think that is a common experience?
3. **Bread of Life. Read John 6:35-36.** What does Jesus tell us will satisfy us from these verses? How have you experienced the satisfaction Jesus offers? What do you think makes the satisfaction of Jesus different than anything else?
4. **Read John 6:37.** What does this say about our relationship with Jesus, and what confidence does it give you?

Respond

1. Read John 6:41-67. Why do you think people rejected Jesus and what he had to offer? Why do we tend to reject Jesus?
2. How can you feast on Jesus in a deeper and richer way? Perhaps it is doing something different or taking something away. Is there something you could fast from together for a week, a month, or even through Easter, to enjoy Jesus more?

Pray

Go around as a group and ask for prayer requests. Pray for a deeper love of Jesus and satisfaction that comes from Him alone.
