Check In

Story

Have one person or one couple share their story, if you are doing this idea.

Discussion

- Read Exodus 20:12
- **Why honor your father and mother?** Loving others starts at home.
 - Out of the four Pastor Joe mentioned (hospital, school, government, and church) what two best describe your upbringing? Why is this important to you?
- **What it means.** Treat your parents with dignity and respect, as if they matter.
 - Would you classify your relationship with your parents as close or distant? Why?
 - What three words would you use to describe your mother and father?
 - What is and isn't included in honoring?
- **How to do it.**
 - **Small:** Send a card, call, visit, or invite over. Which of these resonates with you?
 - **Medium:** What is one thing you learned from your parents that you are thankful for?
 - **Large:** Have you struggled to forgive your parents for any reason?
- **Apply the command personally.** Pick a small, medium or large way to honor your parents this week and make plans to do it.

Pray

Go around as a group and ask for prayer requests.
