The 10 Commandments – Do Not Murder

Check In

Story

Have one person or one couple share their story, if you are doing this idea.

Discussion

- Read Exodus 20:13
- **Why Murder is Wrong**
 - Where in your life or work do you see our culture really shifting on the believe that murder is wrong?
- **Why Murder is Relevant** // Read Matthew 5:21-22 first
 - As a group, come with list of all the ways we can break the 6th commandment, borrowing from what Zach said and offering your own.
 - On an individual level, spend some time reflecting on where you see yourself with keeping and breaking this commandment? Who are your “back-door people”, from Zach’s illustration at the abortion clinic, that you may have devalued and dehumanized?
- **Connect Jesus to the Command** // Read and describe how Jesus valued life in Mark 10:46-52 compared to those around him // What does it mean that Jesus is the only true pro-life person to live?
- **Why Murder is our Rescue** // What makes the cross and grace sweet to you? During the end of the sermon and worship time, how do you experience grace?
- **Apply the command personally.**
 - What does it look like for you to be pro-life in a deeper way than before, even to follow the example of Jesus to lay down our life to value someone else’s life?

Pray
