Main Points:

1. Why We Love God.
2. How We Love God.
3. What Happens When We Love God.

Questions:

1. Read Deut. 10:12. You can serve without loving someone, but you can't love someone without serving them. How have you seen that to be true in your life and relationships?
2. Joe laid out three stages and reasons for serving/loving and illustrated them in this marriage to Karen. Which one do you identify with in your relationship to God and why? How can you tell, and how do you think it changes?
3. Read Matthew 25:31-40. What surprises you about this passage, and what does it tell you about Jesus? Who are the least of these around you?
4. Read Matthew 5:14-16. What happens when we love God? How have you seen that play out, or how do you hope it would play out?

In the next month, what's one new way you'd like to start serving God? What are the places in your life, the relationships, that need light, and can help people look to Jesus? Talk about ways individually or as a group - ways to be light together. See the list of serving options.

Pray

Go around as a group and ask for prayer requests. Pray as a group together.
